Re: Citizens For Better Courts Website

Dear Judge (INSERT LAST NAME):

I have created a committee of continuing existence called Citizens For Better Courts. I've spoken with Chief Judge Menendez and shared with him in writing some of the goals of CFBC.

The Website for CFBC will be the central depository for information about the Courts here in the Thirteenth Judicial Circuit. One page is devoted to "Our Judges."

Attached is a sample of the information the Judge's individual page will contain. Please provide as much information to complete this page.

One of our volunteers will return within one week to pick-up the completed form. The volunteer may call in advance to confirm the fact that the form is complete and ready for pick-up.

If you do not wish to provide this information to CFBC, please just advise the volunteer of this fact and CFBC will not contact you further in this regard.

We would appreciate you cooperation.

Sincerely,

Catherine W. Real
